JOINT BASE CHARLESTON INSIGHTS NEWS & STORIES

Happy Father's Day!

Our President's Message

From all of us here at Hunt Military Communities, I want to wish all the fathers out there the sincerest Happy Father's Day. Whether you are serving far away or close to home – or supporting a spouse who is active duty – your commitment to your country and families is admirable. We look forward to honoring you this month.

In May, Hunt Military Communities teamed up with Wear Blue: Run To Remember in organizing Memorial Day virtual run/walk events in our communities. Wear Blue: Run To Remember, a national, nonprofit organization is committed to building a running community that honors the service and sacrifice of the American military.

This year, Wear Blue hosted the event as a virtual run/walk, enabling runners and walkers from all over the U.S. to continue on in the mission – to honor our nation's fallen by learning their stories, speaking their names out loud and honoring their legacies. Runners and walkers were encouraged to participate on an individual basis and became part of a living memorial to America's fallen heroes and showed of support for the families they left behind. Hundreds of HMC employees and residents participated in the event across the U.S.

Thank you to all who ran, walked, and supported this worthwhile event. It is because of your dedication to the cause we are able to honor and recognize our American fallen heroes in such a thoughtful way.

Best,

John Ehle
President
Hunt Military Communities

Friendly Pet Policy Reminders

All animals, except dogs and cats, must be kept in cages or tanks at all times. Dogs must be confined to the premises or restrained by a leash or fence in the back yard of the premises. Restraint shall include leashing or chaining the animal to a stationary object to preclude the animal from running free or interfering with the normal flow of pedestrians and traffic.

All dogs must be on a leash upon leaving the house and while on community grounds. Both dogs and cats must be appropriately and effectively restrained and under the control of an individual while on the premises and in the neighborhood. No pets are permitted to walk in Neighborhood Center rooms or offices.

Dear Class of 2020

JBC Family Housing would like to CONGRATULATE all of our graduates this year! You have worked hard and pushed through, and while we are saddened that your celebrations and ceremonies have been affected by COVID-19, it does not diminish the effort you have put in nor the amazingness of you! Congratulations, graduates!

Heating and Air Conditioning

- Set thermostat at a comfortable setting without fluctuation to maintain consistent climate control. Turning thermostat too high upon returning home will not heat or cool your home quickly.
- Resident with day-night set back thermostats should consult the instruction manual or contact the NMO for information on how to obtain the most comfortable and efficient settings.
- If the Premises will be vacant for an extended period of time, (weekends, holidays, or vacations) during the heating season, turn thermostat back to the lowest setting, but not lower than 55 degrees to prevent water lines from freezing.
- Keep doors and windows closed whenever air conditioning or heating is in operation.
- Use fans and open windows to create a cross draft to reduce air-conditioning use.
- Keep vents free of obstructions.
