# HAPPY MEMORIAL DAY!

## Our CEO's Message

Memorial Day is a time to remember, and honor, the fallen service members who died serving our country. This does not mean we spend the weekend only mourning those who made the ultimate sacrifice, rather we spend this time in remembrance of these brave men and women while doing things we love with

the people in our lives we cherish most. This is a weekend to celebrate our freedoms while thanking those who fulfilled their oath to serve this country with their lives. We honor their memory and sacrifice through our gratefulness. The Hunt Military Communities Team is consistently in awe of your selfless service, and we do not take for granted the dangers of your career. This Memorial Day we will all take time to reflect on the lives lost in service to this country and celebrate them with our remembrance and gratitude. We are thankful for your service each day, but weekends like this remind us just how special your oath to this country truly is.
