BRAG BOARD

Chris, Danny, and David go out of their way to provide excellent customer service and it shows!

"Danny was very professional, wore boot covers without complaint on request, changed out our lights that had all gone out over the last few months; all in all, 10 minutes start to finish." 12/2

"Chris is an amazing person. He's always so sweet and makes conversations while working. He did his best to fix everything and reassured me they'd fix everything, and he did just that! Thank you, Chris." 12/1

"Chris, thank you for the amazing 5-star rating of Joint Base Charleston Family Housing! We are glad to have you as a part of the community!"

"David Day came to our rescue at 1:00 AM when our smoke alarm malfunctioned and started setting off every alarm in the home waking up our littles. Professional and kind! Worked fast and as quietly as possible to keep them asleep after finally getting them back to sleep."

"Honestly, I love maintenance here with Hunt. We've been here since February, and every time we call, they are prompt and efficient. This time, we had to have the float assembly in a toilet replaced. Mr. Day showed up early the next day after we put in the order. He was there for all of 20 minutes and was out the door with a job well done. Super friendly too!"

"I truly appreciate every opportunity to share my satisfaction with the level of service! Big shouts out to maintenance personnel Danny and Chris, who are simply brilliant at what they do, not forgetting the back-office team ensuring that things run smoothly in our homes."

"1. The ease of reporting maintenance issues via the Hunley Military Community app or by phone, 2. The fluid communication and status updates by email from the base office, and 3. The prompt attendance of professional maintenance personnel to the problem, with efficient and effective solutions pretty much sums up my five-star service experience at the Hunley Park Military Community for over a year now! So, my dear friends, here's to stress-free living!"
