

Freedom has its life in the hearts, the actions, the spirit of men and so it must be daily earned and refreshed-else like a flower cut from its life-giving roots, it will wither and die

-Dwight D. Eisenhower

Managment Corner

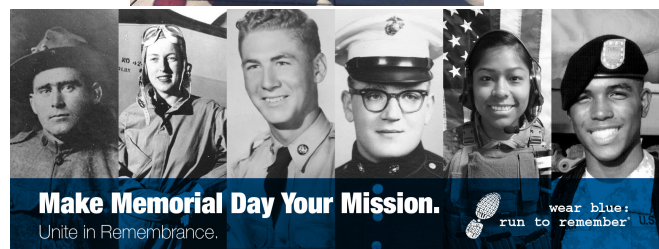

There are no safe fireworks!
Please remember that fireworks are not allowed in the community and the safest way to enjoy them is at a public display. Even sparklers are dangerous – they reach 1500 degrees and aren't suitable for children. Consider providing glow sticks to children to enjoy while watching public fireworks displays – with trained professionals and emergency response personnel on hand. Please have a safe and happy Fourth of July. We really want to see you safe and happy on the Fifth of July, as well

Please remember bulk trash pick up is on Tuesday and Thursday. All Furniture and electronics will need to be placed at the recycling center behind the Outdoor Rec Center.

Thank you to all who participated in the Wear Blue Run to Remember
