## Our President's Message

I want to welcome you to the first ever President's Message. I'm excited to have this opportunity going forward to fill you in on some of the things happening at Hunt Military Communities nationwide, and to tell you a little bit more about our employees and our dedication to you, our residents. 58% of our employees have some personal military affiliation. They are either retired military, a veteran, spouse, or was a military child. This

special bond with the armed forces allows us to understand first-hand some of the challenges military families face, and helps drive our desire to take care of everyone who is a part of a Hunt Military Community. At Hunt, an important part of our job is to share our endless gratitude with our residents. Staff shows their appreciation for residents in a variety of ways. From weekly get-to-know-your-neighbor events to partnering with military nonprofits, our mission is focused on giving back to our residents who give so much, and to the communities that support them. Hunt is committed to supporting positive change for our residents, employees and our neighboring communities through efforts that are focused on military issues, health, education, housing, and community betterment. We know you have a choice in where you want to live, and we are grateful you trust us to serve you.

Best,

John Ehle  
President  
Hunt Military Communities

## Housing Notices

We just want to remind everyone of the Pet Policy, and that there are only 2 pets per household allowed.

We also want to make sure everyone is cleaning up behind their pets. We have waste stations set up throughout the communities to help assist with this.

All animals, except dogs and cats, must be kept in cages or tanks at all times. Dogs must be confined to the premises or restrained by a leash or fence in the back yard of the premises. Restraint shall include leashing or chaining the animal to a stationary object to preclude the animal from running free or interfering with the normal flow of pedestrians and traffic.

All dogs must be on a leash upon leaving the house and while on Community grounds. Both dogs and cats must be appropriately and effectively restrained and under the control of an individual while on the premises and in the neighborhood.

See pet policy in the Community Hand Book for additional information or contact the management office.

Its warming up and kids are playing out front and walking to the playground. Please stop completely at stop signs and look both ways. The speed limit throughout the housing community is 20mph. If you see someone speeding, please contact security forces.
